### Love Does No Wrong

*Romans 13:10 Love does no wrong to a neighbor. Therefore love is the fulfillment of the law.*

This is a jewel of a passage in Romans. All the words of God are precious, however there are some verses that speak more to our hearts than others, depending on where we are in life. This verse is so precious because it is not complicated to practice or to understand. This is a verse that wraps a lot of practical lessons into action. Jesus said the same thing in a different wording in Matthew 22:40. Love is what makes us stay away from doing unrighteousness. Love is what motivates us to do what is right, because we don't want to do what is wrong. I love God and I don't want to hurt him by holding sin in my life. I love my neighbor so much, that I don't want to hurt him by taking what is his; respect his wife, his belongings and his life. You see, LOVE does no wrong.

-David
