We Prayed About This

Have you ever prayed for Church growth? Have you ever prayed that people would get to know Christ? Have you ever prayed that this world will change? Let me tell you something that might make you think about how God answers our prayers. Anything and everything that God has done through the history of our world is to get people back to him. Sometimes that may seem hard or too harsh for humans. But when people don't listen, God grabs their attention and their interests in the things that He does.

Since the Old Testament, when his people would rebel and go astray, God would send them message after message to change. When the change didn't happen God then used other means to get the people back on track. When that didn't work, God saved his remnant and the rest of the people were taken into slavery. In some cases even the righteous were taken captive. But God was still with them and they made a difference where they were taken. Are you thinking of Belshazzar? That's right Daniel made a difference because no matter where he was God was working to bring his people and more people back to Him (Daniel 1:8)

- David

Dear Riverchase Family,

Thank you all for showing such love and support to Jim and I during this sad time in the loss of Jim's mom. The cards and all your words to us have been such a comfort and more than we could imagine. It has shown us that we truly are a family here and that means so very much. We love you and feel so blessed to have found this church family.

In Christian love,

Jim and Pam Bosarge

Dear Riverchase Family,
